

ARMENIA

History of Partnership

HDP established a partnership with the National Assembly of Armenia in 2020. HDP engagement with the National Assembly has included a focus on strengthening legislative oversight mechanisms, constituent communications and casework, and enhancing gender representation in the legislature. Though a formal partnership was established in 2020, HDP has engaged with MPs and staff of the National Assembly of Armenia since 2019, including through two inbound and regional exchanges.

HDP Engagement with the National Assembly of Armenia

- **MP and Regional Seminars:** Since 2019, members from the National Assembly of Armenia have participated in four MP seminars that focused on issues such as democratic resilience during COVID-19, gender mainstreaming, combatting modern threats to democracy, and building citizen trust in times of crisis.
- **Staff Delegations and Technical Assistance Consultancies (TACs):** HDP has organized one technical assistance consultancy with the National Assembly of Armenia in 2019 focused on legislative oversight, constituent services, and citizen engagement.
- **Assessment Mission:** HDP led an assessment mission in 2019 to Armenia to explore opportunities for continued engagement with the National Assembly of Armenia.

HDP Congressional Delegations (CODELs)

- HDP has organized one CODEL to Armenia.
